The Harding Mystery

WHAT IS IT?

Wooster, Ohio, Oct. 30.—The resignation of Prof. William Esterbrook Chancellor as a member of the faculty of the College of Wooster was requested by the board of trustees here last night on account of "exigencies due to the publication of letters as to Senator Harding, attributed to Prof. Chancellor."

The action of the board, in the form of a resolution, followed a hearing, during which Prof. Chancellor answered questions touching the authorship of the letters which were alleged to have been inimical to the senator's candidacy.

The resolution calling for Prof. Chancellor's resignation follows:

"It having come to the knowledge of the board that circular letters are being scattered broadcast throughout the country with reference to Senator Harding, Republican nominee for the Presidency, which letters are attributed to Prof. William E. Chancellor, a part of which he admits to have been written by him;

"And whereas such circular letters issued on the eve of the election are for the manifest purpose of appealing to prejudice, and to influence the electorate of the country at the coming election;

"Therefore, be it resolved, That we, the board of trustees of the College of Wooster, repudiate and denounce such political methods as utterly unworthy of our college and country.

"And be it further resolved by the board, That the College of Wooster indignantly disclaims all connection with, knowledge of or authority for the making and issuing of any such circular letters."

After a conference with a committee including Dr. John Timothy Stone, president of the board, Prof. Chancellor stated that, while conscious of the embarrassment occasioned to the college, he felt in his breast that he had done nothing wrong or improper and that he will continue to have the kindliest feelings toward the college and the board.—

It is significant that the foregoing resolutions while denouncing Prof. Chancellor do not deny the truth of his statements, whatever they are, concerning Senator Harding. The interesting feature to the American people at this moment is what are the charges and are they true. There is no place for mystery in the history or record of any man who aspires to the presidency. The people are entitled before election to know everything, and all, about every candidate.

Neither party whether for or against a candidate has a right to conceal from the American electorate, any thing that may affect the availability of the candidate or the propriety of his selection.

There have been many hints in the press of some mysterious thing that is being used.

We repeat that the important query of the American public is: whether this mysterious thing is true and if so what is it

The Chamber of Commerce Tuesday night will show the election returns on a screen in front of their rooms.

Chosen President

Mrs. D. J. Howell Succeeds Dr. K. W. Barrett as Head of Woman's Auxiliary, American Legion

The woman's auxiliary to Post 24, American Legion, held a meeting last night at 408 Duke street, the home of Dr. Kate Waller Barrett, presided over by Mrs. T. Clifton Howard, the vice president.

The meeting was called by Dr. Barrett, the president, to tender her resignation of that office, prior to leaving for a three month's trip to South America. Dr. Barrett was to have been present, but was detained in New York owing to the amount of red tape attendant upon procuring a passport, and Miss Esther H. Green, secretary of the auxiliary read a telegram received by her yesterday afternoon, in which Dr. Barrett expressed her regrets at being unable to be present, but tendering her resignation and asking that a successor be selected to fill the unexpired term. The regular election of all officers is to be held in January.

Mrs. David Janney Howell was unanimously elected president of the auxiliary, and Miss Esther H. Green, the secretary, was instructed to notify Mrs. Howell of her election.

Other business matters were discussed, principally the importance of the auxiliary supporting the Alexandria Post in the proposed indoor chautauqua.

A committee was appointed to see the proper authorities with regards to the sanitary conditions at the union station.

The next regular meeting will be held on Monday, November 8, at the chamber of commerce.

HARDING BRANDED AS BOND SERVANT

Never Supported Constructive Measure in His Life, Cox Avers

ASKS ABOUT PLEDGES

Republican Nominee Object of Most Scathing Arraignment of Whole Campaign.

Akron, O., Oct. 30.—Senator Harding's public record was laid bare here last night by Governor Cox in an address applying in vigorous terms to the Senator's speech here Thursday in which the Republican nominee declared he was "unpledged, uncommitted and unbossed."

"If it were not a tragedy, this statement would be a joke," declared Governor Cox to a large audience at a factory auditorium. "Surely, Senator Harding can expect no one to take him seriously—when, in face of his public record, every one knows that throughout the years of his public life, he has been one in bondage to the big business interests and the corporate interests of the country. His entire record has been one of turning his back on every proposal for progress."

Here and in other addresses at Youngstown and Kent, Governor Cox attacked Senator Harding as a "reactionary" evasive upon the "league of nations and other issues," and the Governor contended that he himself, was the champion of progress.

Senator Harding's speech here Thursday was the special theme of the Governor's fire last night in probably the most bitter personal arraignment of his adversary yet made in the campaign.

Senator Harding was chosen at Chicago, Governor Cox asserted, by a "monstrous conspiracy of the Senatorial oligarchy," in a Chicago hotel and the Governor asked the following "plain questions" of the Republican candidate.

"What questions were asked you and what pledges were made before the oligarchy decided to give you the nomination?

"Did you promise George Harvey a place in the Cabinet, as is generally stated?

"Does your platform authorize you to make a pledge to George Viereck and to declare for a separate peace with Germany to secure, as he says, 6,000,000 votes of the pro-German party in America?

"Did your platform give you the right to promise to George Reynolds the Chicago bankers, who, on the basis of conference with you, assures his friends that you will permit amendments to the Federal reserve act, so that none but bankers may sit upon the Federal Reserve Board, and thus again restore the control of the money interests of America to a small group of bankers?

"What promises did you make to Charles B. Warren, vice-chairman of the Republican National Committee, which warrants him in saying in his letter soliciting funds from directors of corporations that they should measure their contributions on the basis of what Republican success is worth to you and your corporate interests, and send in your pledges accordingly?

"What is your pledge to speculators in Mexico, who seek to have the blood of American boys coined into dollars, and who openly boast of your support?

"What is your understanding with Elihu Root, which caused him to rush to your defense at a time when Mr. Taft has pointed out the probability of vacancies in the Supreme Court? Is it because you have given a personal pledge or because of his knowledge of your attitude against Brandeis, a progressive?

REVIVAL SERVICES.

Special evangelistic service will begin at the First Baptist Church on tomorrow evening. There is being formed a large chorus choir under the direction of Mr. Starnell. Preparatory meetings have been in progress for several weeks. Rev. H. I. Stewart of Washington who has been conducting a great meeting in Norfolk, will be present Monday night. He assisted the pastor, Dr. Jackson, in a great meeting here last fall.

Interesting Address

Mrs. Rafter Gives Talk Before Parent-Teachers' Association.

The lecture by Mrs. Giles Scott Rafter, president of the Mother's Club of Washington given Monday night in the Young People's Building was greatly enjoyed by all present. TO OPEN SERIES OF MEN'S MEETINGS

First to be Given November 7 at Richmond Theatre

AUSPICES OF Y. M. C. A.

Proposed to Hold Meetings Every Sunday Afternoon at 3 p. m.—Soloists Will Take Part

Six meetings for men's meetings are to be held by the Y. M. C. A. at the Richmond Theater Sunday afternoons beginning Sunday November 7 and continuing until Sunday December 12. The men's bible classes of the various Sunday schools are co-operating with the religious work committee of the Y. M. C. A. to make the meetings a success.

The plan is to hold six meetings before the holidays and it has not been definitely decided whether they will be continued after the holiday season. Judge William F. Norris, of the Department of Justice, one of the most popular bible class speakers of Washington, will address the first meeting November 7 on the subject "America, a Christian World Power."

The second meeting November 14, will be addressed by Chaplain F. M. McCoy, assistant chief of chaplains, on the subject "The New Offensive." William Knowles Cooper, General Secretary of the Metropolitan Y. M. C. A., of Washington, will address the meeting of November 21. His subject has not yet been announced. Hon. Henry B. F. MacFarland will speak on the meeting November 28 and his subject will also be announced later.

The speakers for the two December meetings have not yet been secured, but negotiations are being conducted with speakers of like caliber and the men of the city will have a rare opportunity to hear the best speakers to men procurable in the east.

The meetings will be held at 3 o'clock in the afternoon and the Citizen's band will give a thirty minute concert before the meeting. William E. Dunn, Alexandria's only graduate song leader, will have charge of the music and the men will be given an opportunity to do some real congregational singing. It is thought that some of the popular revival songs will be used.

Some excellent soloists are being secured and the men who attend the meetings will have a treat in store for them at each meeting. The meetings will be be staged principally for the men who do not attend a bible class and the time and place of meeting will doubtless appeal to these men.

FOR TRUTH AND FOR PROFIT.

Governor Cox, the Democratic National Committee and the Pro-League Republicans are appealing for money to circulate the covenant of the League so that the voters shall see what is the truth about the Legue and shall not be misled by the falsehoods of Republicans who, so far as they can, suppress the document about which they are busy lying. This is a clear case of idealism.

There is no idealism about the Republicans. They are thoroughly practical. They are sending out appeals to the corporations for mon y to elect the Republican ticket because the Republican party offers the corporations chances to make money The Democrats are trying to circulate the truth; the Republicans are offering profit as a reason for contributing to the campaign fund.

On the letterhead of the Ways and Means Committe of the Republican National Committee and the State Central Committee of Michigan a circular letter has been sent out to the corporations of Michigan signed by Charles B. Warren, chairman pointing out that while corporations are forbidden by law to subscribe to a political campaign fund, the members of corporations are free to give. The circular presents this argument:

As a corporation director you must be personally concerned in the outcome of election, and its serious effect on values represented by corporate interests throughout the country.

Will you, therefore, determine promptly what the value of Republican success means to you and your corporate interests, make you financial pledge accordingly and mail the enclosed card with remittance to the Detroit office today?

How much can your corporation make out of the Republican party? Compute this, and then calculate what percentage of this you ought to give to the party in order to put it into power, and place it where it can throw money in your way, and send the check today.

There ought to be no trouble about getting a big campaign fund on this basis. If the Republican party can secure the President and Congress it can throw a great deal of money to the corporations. It has done so in the past, and it can do it again. Corporation directors, invest in the Republican party. You can make money by it.

Plot to Murder English Novelist In Russia Fails.

Copenhagen, Oct. 30.—Reval dispatches report that H. G. Wells, the English novelist, recently had a narrow escape from the vengeance of the Bolsheviki, who became enraged over the novelist's outspoken criticism of conditions in Russia under the Bolshevist regime. All plans were laid for the disappearance of Wells while traveling toward the frontier but were frustrated by Maxim Gorki, the Russian novelist, who apprised Wells.

It is stated that Gorki himself foresees the day when he will be added to the list of Lenine's victims.

Reval is full of Bolshevist commissioners fleeing Russia with gold and jewels like rats from a sinking ship. They include the noted Bolshevist agent Peters and his German mistress, Fraulein Krause, who are going to Germany with millions of dollars worth of precious stones and priceless furs.

Chicago Typists Dance at Lunch On Sidewalks.

Chicago, Oct. 30.—Stenographers in the loop district here are having three fox trots and two waltzes for lunch each day.

They're tripping the heavy fantastic on the cement sidewalks on all downtown corners. The music is furnished by Mayor William Hale Thompson.

Mayor Thompson equipped all corners recently with electrical wires attached to phonograph horns to announce noonday politicial meetings. Between announcements the mayor put on jazz records.

Steal $50,000; Shoot Two and Escape in Auto.

The robbery occured at Fourteenth street and South Ashland avenue on the South Side.

Deflects Bullet From Robbers, Who Escape With $50,000.

Chicago, Oct. 30.—A nail file in his vest pocket saved the life of Policeman P. Leonard yesterday afternoon when it deflected a bullet fired by one of three robbers who held up the policeman and Jacob Yanowitz, a bank messenger, and escaped with $50,000 after shooting the messenger twice.

The bandits, in a fast touring car, halted the policeman and Yanowitz as they were driving through a subway in the southern part of the city.

OFFICER VANISHES
VETERAN MARINE

Washington, D. C., Oct. 30—Military police officials have asked the cooperation of the police in a search for First Lieut. Edward Walker Frankfurn, U. S. M. C., who disappeared from the Raleigh Hotel September 7. Because of the splendid record of Lieut. Brandon, his disappearance has greatly mystified officials at Quantico who fear for his safety. Mrs. Frankfurn, wife of the missing officer, who resides at 1824 Nineteenth avenue, Oak land, Calif., is also greatly alarmed and has written asking particulars of his appearance during his stay in Washington and stating that she had feared her husband had suffered a nervous breakdown.

THE depreciation of a good used car is, of course, less in dollars and cents than that of a new car—and as depreciation is the greatest factor of passenger mileage cost, it follows that the used car is by just so much the cheaper to run if it is in good condition when you buy it.

Those we are now offering at special prices are in good condition.

KITTY GORDON GETS DECISION

Court Sustains $1,531 Damage Verdict Given Actress.

New York, Oct. 30.—The Appellate Division yesterday sustained a Supreme Court verdict of $1,531 in favor of Kitty Gordon, actress, for injuries received while acting in a motion picture for the World Film Corporation at Fort Lee, N. J.

Miss Gordon's part called for an heroic rescue by her of another woman of the cast in "No Man's Land," in the face of exploding bombs and flashing artillery. Something went wrong with one of the motion-picture bombs in this battle of Fort Lee, and it exploded in such a manner that the heroine was severtly burned. Miss Gordon lost her eyelashes and eyebrows, suffered burns of her left leg and arm and bruises and contusions on other parts of her body, besides sustaining a great shock.

A Supreme Court jury gave the actress a judgment. The motion-picture company appealed and the Appellate Division yesterday agreed that Miss Gordon should be compensated for her injuries.

COX GAINING, SAYS DANIELS

Declares Hundreds of Theusands Are Deserting Harding.

Tiffin, Ohio, Oct. 30.—The tide is changing and Governor Cox is gaining votes by the hundreds of thousands, Secretary of the Navy Joseph-us Daniels told a large gathering of men and women here Thursday night.

"The change in the political tide has been the most marvelous in history," he said. "From the day of Harding's Des Moines speech hundreds of thousands have came over to Cox.

"The consrienht of thinking Republicans was shocked.

"Where does Senator Harding stand on the League of Nations? almost anywhere that will meet your wishes. He has a fresh assortment of views for every day, subject to change without notice."

Pointing to the demand for a change in conditions, Secretary Daniels declared that only by the election of Governor Cox can a change with continued progression come.

"The fact is that the country demands a change," said the Secretary, "and must have it from the do-nothing Republican Congress to a Congress that will repeal war-time laws and ratify the League of Nations."

Wanderer Given 25 Years for Murder

Chicago, Oct. 30.—Carl Wanderer was convicted Thursday night of slaying his wife, her unborn child and a "ragged stranger." The jury recommended twenty-five years in the penitentiary as his punishment.

It was a compromise verdict, two of the jurors holding out for twenty-four hours for a verdict of "not guilty by reason of insanity." They were won over to a verdict of guilty of murder at 5:30 last night.

ANOTHER ALEXANDRIA CASE
It Proves That There's A Way Out For Many Suffering Alexandria Folks.
Just another report of a case in Alexandria. Another typical case. Kidney ailments relieved in Alexandria with Doan's Kidney Pills.
N. W. Simpson, 1513 King street, Alexandria, says: "It was a good many years ago that I first had kidney trouble and I got so I could hardly get out of bed. The pain and misery I went through were terrible. My back was lame and so sore I could hardly touch it. It hurt me to bend over and I had terrible headaches. Some days I was so nervous I would shake like a leaf. The kidney secretions were in bad shape. Sometimes they were scanty and then I would have swelling of my feet. My feet would get twice their natural size and I couldn't get on my shoes. I was all worn out and didn't have the ambition to work. A friend told me about Doan's Kidney Pills and I got two boxes at Ashton's Drug Store and took them according to directions. They helped me so much I got three more boxes of Doan's and they entirely cured me. Since then I have worked every day and have been in fine health."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Simpson had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.
